

COMFORT SLEEPER SLA/SRA-QP

XXX-SLA/SRA-QP is a Queen Plus Comfort Sleeper with a storage ottoman to support a chaise on the left or right side. The ottoman is moved out of the way when opening the sleeper. The current Version 8 sleepers have straight chaise cushions, allowing the ottoman to be moved to either side. Shown below.

VERSION 6

VERSION 6 SHOWN

Current version 8 Comfort Sleepers have a straight chaise cushion instead of the t-cushion shown in version 6. Ottoman function remains the same and needs to be moved before opening the sleeper.
